Joel J. Roessner, Esquire  
Attorney  
Federal Election Commission  
Washington, D.C. 20463

Re: MURs 4407 and 4544

Dear Mr. Roessner:

It is my understanding that a proposed agreement has been reached with Clinton/Gore, the Democratic National Committee, and The White House by the Commission relevant to its investigation. As a result, it is my further understanding that at this time there is no obligation for Mr. Erskine Bowles to produce documents or submit written answers to the Commission.

Sincerely,

*Earl J. Silbert / ES*
